"O God, the Father of our Lord  
Jesus Christ, the Prince of Peace;

Thy compassion and succor the wound-

all who are in peril by land or sea.  
Show Thy pity upon all prisoners and

may cease in all the world that justice

## WAR TIME NEWS OF 50 YEARS AGO

**Funeral of General Stedman in New London—Side Wheeler  
Launched at Mystic—Gen. Grant's Army Now Nine  
Miles From Richmond—Lebanon Captain in Southern  
Prison—Norwich Officers on Boat at Honolulu.**

The following are extracts from The  
Bulletin of fifty years ago, August,  
1864:

**Funeral of General Stedman.**  
Aug. 15, 1864.—The funeral of Brig-  
adier-General Griffin Stedman was  
attended in New London on Saturday.  
Among the notabilities present were  
Gov. Buckingham and the Hon. John  
Griswold, Wm. P. Smith and Daniel  
Butterfield. The funeral escort, under  
command of Capt. O'Connor, Four-  
teenth reg't of 57, in honor of the Har-  
ford City Guards, Norwich Light In-  
fantry, and a detachment of the Four-  
teenth U. S. I. The funeral services  
were held at the residence of the de-  
ceased, where the body was lying in  
state. The funeral was followed by the  
General's horse.

**Boys Will Be Boys.**  
When will boys who do not know  
how to swim learn to avoid deep  
water? A young man, a police  
officer, too modest to allow us to give  
his name, saved the life of a lad of  
about twelve years, just below the  
dock on the west side of the city, by  
going into a boat to play and immedi-  
ately fell overboard.

**Off on the Quickest.**  
A party of our citizens, consisting  
of prominent merchants and profes-  
sional men, of all political shades, left  
this city Saturday in the schooner  
Quickest, on a pleasure cruise off  
Long Island and up the coast.

Aug. 15, 1864.—Major C. P. Stanton,  
Twenty-first Regiment, is in town. He  
is slowly recovering from a wound re-  
ceived near Petersburg.

**Side Wheeler Launched at Mystic.**  
At the yard of George Greenman and  
Co., Mystic, a side wheel steamer of  
800 tons burden was launched. Its  
length, 200 feet, breadth of beam, 30  
feet.

The vote of Norwich on the consti-  
tutional amendment allowing soldiers  
to vote was 753 for, 196 against, a  
majority of 557.

Two young ladies, Misses Gillette  
and Ripley, were thrown out of their  
carriage and bruised while driving in  
the Fair Grounds.

A letter was received in this city  
from First-Lieutenant James H. Kane,  
dated Libby Prison, July 19, 1864, re-  
presenting himself to be very well  
cared for and as comfortable as could  
be expected under the circumstances.

**High Regard for General Harland.**  
The New Haven Courier's Newbern,  
N. C. correspondent writes as follows  
of General Harland of this city:  
"Connecticut is ably represented here,  
not only by Brig. Gen. Harland, next  
in rank to Parke, Gen. Palmer, the  
commandant of this district. Gen.  
Harland is as wise in counsel as he is  
cool and brave in action, and where-  
ever he goes he commands the respect  
and admiration of his subordinates and  
the respect of all."

The war news this morning is of  
the following nature:

**ATLANTIC CABLE CELEBRATION.**  
FIFTY-SIX YEARS AGO.

How Norwich Hailed the Epoch-Mak-  
ing Event—Copy of Old Pro-  
gramme.

Fifty-six years ago last Sunday the  
first Atlantic cable was opened with  
messages flashed across between Queen  
Victoria of England and President Bu-  
chanan of the United States.

An old copy of the Norwich pro-  
gramme with which the event was  
celebrated on the evening of Sunday,  
Aug. 17, 1858, was discovered by Mrs.  
William H. Bentley of New London  
in going over some old papers. She  
has kindly sent it to The Bulletin as  
a matter of timely interest.

The old programme shows that Nor-  
wich celebrated with a torchlight pro-  
cession that started at 7.30 in the  
evening from Franklin square. The  
procession moved as follows:

First Division—Gen. David Young  
marshaled P. Perkins, a Norwich brass  
band, P. W. White, leader; Norwich  
Light Guard, under command of Capt.  
C. E. Black.

Second Division—Marshal, A. R.  
Hale; fire department, under Henry  
Peale, chief engineer; Hook and Lad-  
der company, Engine company Nos.  
1, 2, 3, 4, 5; Greenville Fire company,  
No. 1, and Norwich Town Fire com-  
pany, No. 1.

Third Division—Marshal, H. W.  
Birge; His Excellency Governor Buck-  
ingham and staff; mayor and common  
council in carriages; county and city  
authorities on horseback; mechanical  
and mercantile delegations; citizens  
with torches.

Signal rockets were sent up during  
the march and a salute of 100 guns  
was fired and the church bells were  
rung. The torches were lighted by a  
signal rocket given from in front of  
the Wauregan house. After the parade  
around the business streets and also  
up Washington street and down Broad-  
way, the line was dismissed at the  
Wauregan house and a programme of  
speechmaking was carried out.

Invited to St. John's Reunion.

## TAFTVILLE AFFAIRS

Soccer Football Committee Held Meet-  
ing—Will Hold Field Day—Local  
Items.

The arrangements committee of the  
Taftville soccer football club held a  
meeting Thursday evening at their  
headquarters in the Lincoln club. It  
was decided to get the season's tickets  
out as soon as possible, and other mat-  
ters pertaining to the Taftville cup  
series and the state cup ties were dis-  
cussed with much enthusiasm.

The committee that has been ap-  
pointed to look after the arrangements  
for this season follows: J. Andrews,  
chairman, T. Greenhalgh, A. Murdoch,  
W. Smith and A. Jones.

Every night candidates for the team  
practice on the baseball grounds, and  
from the indications Taftville will have  
a much stronger team than they had  
last year. Although they have lost  
one or two good men, they have plenty  
of promising material to fill up the  
squad.

The meeting that is supposed to be  
held this coming Monday evening at  
their headquarters has been postponed  
until Tuesday, as the club is going to  
be used for other purposes.

**Final Game of Series.**  
Still Manager Benoit has refused to  
let anyone else play for the Taftville  
club in a game today at Baltic. He  
has secured for today's game at Baltic.  
When seen, the manager said he  
was a dark horse, and that there is  
no class to him. Today's game  
marks the championship between the  
two villages in the national sport.

The first game of the series was won  
by Baltic in a close game at Baltic,  
but on the following week on the Provi-  
dence street grounds the local boys  
carried off an easy victory, giving  
Baltic a bad defeat, and Manager  
Benoit says the feat will be duplicated  
today. The lineup will be the same as  
in the first game.

It is rumored around the village that  
the crowd that will go up with the  
team will be of a record breaking size  
and they hope they will be repaid for  
their trip.

**Stimulate Clean Sports.**  
For the purpose of promoting ath-  
letics in the village a number of young  
men are going to hold an aquatic and  
athletic meet Saturday afternoon at  
the island in the Shetucket river. This  
event is open to all who desire to  
participate in the games for the purpose  
of stimulating good clean ath-  
letic sports, and it is a success there  
will be several others held in the near  
future.

The entire list of events are un-  
decided, but the following are the pre-  
sented decided ones: Swimming races,  
from 10 yards up to a mile (singles  
and doubles), running races of differ-  
ent distances, wrestling and boxing.

**Former Resident.**  
Louis Porter, the young man who  
was killed last Wednesday evening in  
an attempt to board a moving freight  
train near the Central Vermont rail-  
road station, was a former resident  
here and attended one of the local  
schools.

**Unclaimed Letter.**  
The name of Miss Eva Gladue is the  
only name that appears on the list of  
unclaimed letters at the postoffice for  
this week.
